Fabric - 1 'Layer Cake' and 1 'Jelly Roll'

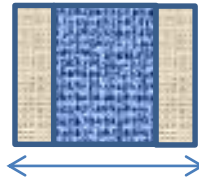

- ✓ Cut each 10" square in half. Now you have 84, 5" x 10" rectangles.
- ✓ Cut your Jelly Roll into 10" segments.

Next, add the same contrasting 2 ½" x 10" rectangles to each side of one 5" x 10" rectangle, like this:

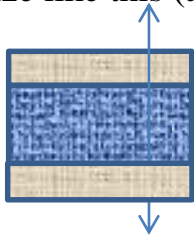

Make 84 of these!

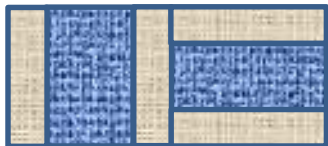

Now measure the width of the block like this:

It 'should' be 9". Whatever size it is, you are going to square all of your blocks to this same size, size like this (arrow represents cutting line):

Now, sew your blocks together, like this:
