

Two Halves Make a Whole

Sarah Barnett, Little Foot Quilt Shoppe, www.littlefoot.net

Materials Needed

- 21 different 10" squares of light fabric
- 21 different 10" squares of dark fabric
- Cake Mix Recipe #1 from Moda
- Boxy log cabin blocks - Assorted lights and darks. Each block requires a 2 1/2" center square and a contrasting strip that measures 2 1/2" x 20".
- Border #1 - 1/2 yard background/light - Cut into 2 1/2" strips
- Border #2 - 5/8 yard background/light - Cut into 2 1/2" strips
- Border #3 - 1 yard (I used a dark, floral print) - Cut 4" strips
- Binding - 5/8 yard

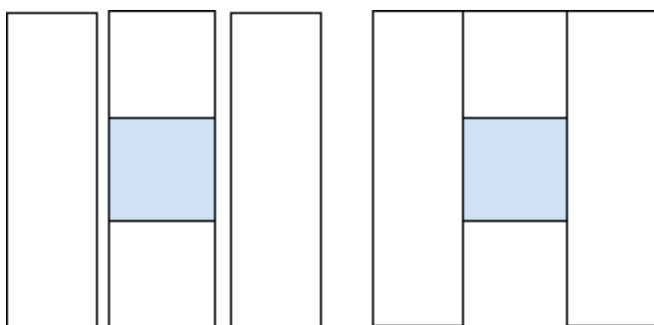

Cake Mix Blocks

Following instructions on Cake Mix Recipe paper, make 21 of the pages. Assemble them into blocks like this: You will have 21 of each. Blocks should measure $8\frac{1}{2}$ " square.

Boxy Log Cabin Blocks

Each Boxy Log Cabin requires a center square which measures $2\frac{1}{2}$ ". You will make 21 with dark centers and 21 with light centers. The outer round of the block requires 4 pieces - (2) $2\frac{1}{2}$ " squares and (2) $2\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangles. On the blocks with light centers, the outer round is dark. On the blocks with dark centers, the outer round is light. Blocks should measure $6\frac{1}{2}$ " square.
